## Author Jan Winebrenner to host Southwest/Dallas Regional Connections

Dallas, TX—November 3, 2009—Jan Winebrenner, author, speaker and media personality will be guest speaker at the Women in Christian Media's Southwest/Dallas Regional Connections dinner Thursday, November 12, 2009 from 6:30 PM - 9:00 PM (CT) The Tower Club, 1601 Elm St. Thanksgiving Tower 48th Floor, Dallas, TX 75228.

A woman of faith, popular speaker and prolific author, Jan's works include "Intimate Faith... A Woman's Guide to the Spiritual Disciplines and The Grace of Catastrophe". Jan touches the depths of one's heart with how she conveys the biblical reality of the true knowledge of God, His character and the profound effect it can have on our lives as media leaders.

A freelance writer for 27 years, Jan authored eight books and wrote countless articles for periodicals as diverse as Vietnam Today, Leadership, The Dallas Morning News, Today's Christian Woman, and Decision. She wrote feature articles for a parenting magazine for two years before changing her focus to writing books infused with a love of classical Christian literature. Jan founded the Dallas Christian Writers Guild and frequently speaks for writers' groups and college and university writing classes. Mentoring and encouraging other writers is one of her passions. Jan resides in Plano, Texas. She is delightfully married, a mom to two and grandmother of two more.

Also featuring special guest and recording artist Cheryl Boggs, an award-winning singer, who was named "Contemporary Soloist of the Year". She has led praise and worship services in cross-cultural, nondenominational mega churches across the United States for the past 15 years. Cheryl has traveled internationally and preached God's Word in prisons, nursing homes, children's hospitals, and conducted outreach to teens and young adults in centers for troubled youth. As a soloist, Cheryl has sung in front of over 20,000 people, and as a group member she has sung before audiences of more than a half million. She has received many awards as a gospel artist, including both McDonald's Gospelfest and the Gospel Music Excellence Award named her "Contemporary Soloist of the Year." Pure Worship is Cheryl's fourth, and most personal, CD. Its songs of worship and praise reflect her personal relationship with the Lord.

We will also have a special drawing and media expert panel at the event so members and guest are encouraged to bring your questions!

Founded in 2001, Women in Christian Media™ is a fellowship dedicated to connecting women working in Christian media in purpose and vision. We provide a framework for networking, opportunities for professional and personal development and work toward advancing Christian media - and the women in it.

Our members are comprised of dedicated Christian women who are called of God to minister in many capacities in Christian Media. They are an effective body that impacts the industry on a daily basis. Our members appreciate the benefits of being part of an historic movement that is impacting the nation.
